

# BEARING A GRUDGE

## Do Not Bear a Grudge (Lo Titor)

You may not bear a grudge (*lo titor*).

**EXAMPLE** Someone did something not nice to you and some time later asks you for a favor. You may not make the person feel bad about what he or she did previously, even if you do grant the favor.

**NOTE** This applies to monetary issues and the custom is to apply it to non-monetary issues.
