

# ERUV CHATZEIROT FOR BUILDINGS

## INTRODUCTION TO ERUV CHATZEIROT FOR BUILDINGS

### Introduction to Eruv Chatzeirot for Buildings

On Shabbat, you may not carry items in a building (such as a condominium) owned by more than one Jew (even if the other owners are not religious), from a condo into the hallway or from the hallway into a condo unless:

- There is an eruv around the building, or
- You have made an eruv chatzeirot with all the other owners.

**NOTE** If none of the other owners are Jewish, you do not need to make an eruv.

**NOTE** If you do not normally rely on municipal eruvs, you should not carry outside your apartment (such as in the building's halls--even if your building is within a municipal eruv), unless the building has an eruv chatzeirot.

### Eruv Chatzeirot: Hotel/Apartment Building with Central Kitchen

If you are in a hotel or apartment building that has a central kitchen from which most of the residents usually eat, you do not need to make an eruv chatzeirot.

### Eruv Chatzeirot When Manager Has Right To Enter Your Apartment

You do not need an eruv chatzeirot if you are in an apartment building even without a central kitchen but where:

- The building owner has property in each apartment, and
- The building owner or manager has the ability and the right to enter your apartment and the other apartments.
