

JEWISH FESTIVALS: COLORING (TZOVEI'A)

Introduction to Jewish Festivals: Coloring (Tzovei'a)

Since wool and/or leather was dyed for the Tabernacle in the desert, similar actions are forbidden today on Jewish festivals (and Shabbat). Any action that causes one item or substance to change its color may be forbidden, even if it is not related to dyeing wool or leather.

Jewish Festivals: Coloring (Tzovei'a): Food

You may not add a substance, whether food or other, in order to color food on Jewish festivals (and Shabbat). You may add food to other food even if it will cause the other food to become colored as long as that is not your intention.

Jewish Festivals: Coloring (Tzovei'a): Cloth

You may wipe a stain off of your face or hands onto a cloth or piece of paper if you do it to clean your face or hands on Jewish festivals (and Shabbat), but not if you want to color the cloth or paper.
