JEWISH FESTIVALS: EVENING KIDDUSH

Jewish Festivals: Evening Kiddush

To fulfill the two requirements for *Jewish festival* evening kiddush:

1. Make Kiddush

Say, or hear, the three <u>Jewish festival</u> evening <u>kiddush</u> blessings/segments:

- <u>Borei pri ha'gafen</u> (if on wine or grape juice—preferred option), OR <u>Ha'motzi</u> (on two <u>challot</u> if you have no wine or grape juice, since no <u>chamar medina</u> is allowed for <u>Jewish festival</u> evening <u>kiddush</u>; see <u>Jewish Festivals</u>: <u>Kiddush</u>: <u>Challot</u> for <u>Kiddush</u>) AND
- 2. Asher bachar banu mi kol am.... mekadeish Yisrael v'hazmanim, AND
- 3. <u>She'hecheyanu</u> on all <u>Jewish festival</u> nights, except the last two nights of Passover. So say <u>she'hecheyanu</u> on:
 - Both nights of *Rosh Hashana* (in or outside of *Eretz Yisrael*),
 - First two nights of Passover (1 night in Eretz Yisrael),
 - Both nights of *Shavuot* (1 night in *Eretz Yisrael*),
 - First two nights of Sukkot (1 night in Eretz Yisrael), and
 - Nights of *Shmini Atzeret* and *Simchat Torah* (same day in *Eretz Yisrael*).
 - NOTE There is never any requirement on an indvidual to drink *kiddush* wine (except at the Passover *seder*), but the *kiddush* wine must be drunk by one or more persons.
 - NOTE A woman who had said *she'hecheyanu* when she lit the *Jewish festival* candles does NOT say *she'hecheyanu* again if she makes *kiddush* for herself, even when making *kiddush* at the *Passover seder*.
 - NOTE There is no need to eat a new fruit after saying *she'hecheyanu* on the second night of *Shavuot, Passover*, or *Sukkot*. This is not comparable to *Rosh Hashana*, since the second festival night was instituted due to uncertainty of the actual date of the holiday, while <u>Rosh Hashana</u> is considered to be one single, long day.
- Establish a *halachic* "meal" (*kovei'a se'uda*).
 For how to establish a *halachic* meal, see Introduction to *Jewish Festival* "Eating a Meal" Requirements.
- NOTE For evening *kiddush*, the custom is to go straight to the meal without delay (with no *mezonot* or snacking first). *B'di'avad* if you snacked, it is still OK.
- NOTE At night on *Jewish festivals* (or *Shabbat*), you may not say *kiddush* at a place where you will not eat your evening meal (even if you will hear or say *kiddush* again at the place where you will eat the meal).
