JEWISH FESTIVALS: KIDDUSH: HOW MUCH TO POUR

Jewish Festivals: Kiddush: Pour Revi'it

As on *Shabbat*, the minimum volume of *kiddush* beverage on which you may say *Jewish festival kiddush* (or *haydala*) is a *revi'it*:

- 4 fl. oz. (119 ml) for <u>d'oraita</u> cases such as the first night of <u>Jewish festivals</u> (or <u>Shabbat</u> evening) kiddush, and
- 3.3 fl. oz. (99 ml) for <u>d'rabanan</u> cases such <u>Jewish festival</u> lunch and evening/daytime meals on the second <u>Jewish festival</u> day (as well as <u>kiddush</u> for <u>Shabbat</u> lunch).

Jewish Festivals: Kiddush: How High To Fill the Cup

Ideally, fill your <u>kiddush</u> cup to just above the rim, even if the cup is larger than 4 fl. oz. (119 ml). Don't make the cup overflow.

NOTE If you did not fill the *kiddush* cup to the rim, it is still OK.

Jewish Festivals: Kiddush: Diluting Wine

There is no need to dilute wine before drinking it.

Jewish Festivals: Kiddush: If Not Enough Wine

If there is not enough wine (or grape juice) for Jewish festival (or Shabbat) kiddush and havdala:

- Set aside the first cup for havdala. Then, if there is one more cup,
- Use it for the morning kiddush.

Jewish Festivals: Kiddush: Challot for Kiddush

To use two *challot* for *kiddush* instead of wine:

- Wash hands and say al netilat yadayim,
- Say kiddush but substitute ha'motzi for borei pri ha'gafen; and, as soon as you finish saying kiddush,
- Eat the bread as normal.
