## **KRI'A: ON WHAT TO TEAR**

## What To Tear for Kri'a

When tearing *kṛi'a*, do not tear underwear, a coat or sweater worn for warmth, or *talit katan*. To avoid ruining good or expensive clothing, you may change to other clothes before doing *kṛi'a*.

You may tear the same garment more than once if you need to do *kṛiya* for more than one dead person or for seeing the *Temple* mount more than once (in more than 30 days).
