

TEFILAT HADERECH: HOW OFTEN: ONCE A DAY/ONCE A TRIP

Tefilat HaDerech: How Often: Once a Day/Once a Trip: Vehicles

When riding in a vehicle on a trip, you should say tefilat ha'derech once each day, as long as:

- You have gone--or will go--at least 2.8 miles past any populated area, and
- You will be breaking your trip at night.

NOTE If you will be living in an RV or other vehicle, only say tefilat ha'derech once for the entire trip.

Tefilat HaDerech: How Often: Once a Day/Once a Trip: Boats

If you take a multi-day boat trip, such as a cruise, say tefilat ha'derech only once during the journey—not each day.

NOTE Any time you stay overnight (on land) along the journey, say tefilat ha'derech again when you resume your travel.
