

TOVELING: UTENSILS: PARTS

Toveling: Utensils: Stickers

Before immersing a food utensil in a mikva, remove anything attached to its surfaces.

SITUATION A sticker or something similar is found on a plate or other utensil after tevila.

WHAT TO DO

- If the sticker is less than half of the surface area and does not bother you by being there, the tevila is valid.
- If the sticker interferes with your use of the utensil or if you just want it removed, it must be removed and the tevila must be repeated.

Toveling: Utensils: Electrical Cord or Heater

A utensil that requires immersion in a mikva should be immersed even if the utensil is connected to an electrical cord or heater, unless by immersing it you will ruin the entire appliance.

Toveling: Lid

You must tovel a cooking-utensil lid bought from a non-Jew before you use the lid.

Toveling a Disposable Aluminum Pan

If a disposable aluminum pan will be used once, tovel it without a blessing. If a disposable aluminum pan will be used more than once, tovel it with a blessing (al tevilat keilim). Even if you will line it with a double layer of foil, still tovel it.
