U'VA L'TZION

Kadosh in U'Va L'Tzion with the Minyan

Say *kadosh* three times in *u'va l'tzion* together with the *minyan* in order to mimic the angels who say *kadosh* together with other angels.

NOTE You should interrupt what you are saying as long as it is permissible to do so, such as before <u>baruch</u> <u>she'amar</u> or after you have finished your <u>anida</u>.
