

Talit Gadol: Color

A talit should be primarily white. Here are some details:

- A talit gadol should be either all white or white with black stripes. Avoid a very colorful talit that makes the white part look insignificant.
- Blue stripes used to be used: as with techelet, the blue reminds us of the sky, of God's throne (kisei ha'kavod), and of God.
- Even though the talit was originally supposed to have blue stripes, it is not the custom today to use blue stripes.
- Black stripes have no significance or importance.
