If Doubt Whether You Said Blessings on Torah Study

If you are not certain that you have said any of the morning blessings on studying *Torah* (from *la'asok b'divrei Torah* to *notein haTorah*), you should not say them later. But when you say "*ahava raba*" before the morning *shema*, you may intend it to cover such blessings; then after the *amida*, you should say some *Torah* verses *(psukim)*.
