Blessings: Answering Amen: What To Hear

When someone is saying a blessing on your behalf, you may say <u>amen</u> as long as you have heard at least:

- The first six words of the blessing; and
- At least a few words of substance in the middle of the blessing; and
- The complete final line.

EXAMPLE For the <u>al ha'michya</u> blessing, you must hear:

- The first six words,
- Al ha'michya, and
- The final blessing line.
