Correspondence between Fore- and After-Blessings

There is no essential connection between fore-blessings and after-blessings.

EXAMPLES Rice

The fore-blessing is *borei minei mezonot*, so you might expect the after-blessing to be <u>al ha'michya</u>. But the correct after-blessing is *borei nefashot*. Apple

The fore-blessing is *borei pri ha'eitz*, so you might expect the after-blessing to be <u>al</u> <u>ha'eitz</u>. But the correct after-blessing is *borei nefashot*.
