Birkat HaMazon: Eating for Mezuman

Say *birkat ha'mazon* as a *mezuman* if:

- You don't have enough men for a *minyan* (see above), AND
- Two men wash, said *ha'motzi*, and ate bread, AND
- One or more other men ate any food other than water and salt.

NOTE If the three men's eating overlapped in time with each other, they MAY say *birkat ha'mazon* with a *mezuman*.
If the three men began eating at the same time, they MUST say *birkat ha'mazon* with a *mezuman*.
