Tefilat HaDerech: How Often: Once a Day/Once a Trip: Vehicles

When riding in a vehicle on a trip, you should say *tefilat ha'derech* once each day, as long as:

- You have gone--or will go--at least 2.8 miles past any populated area, and
- You will be breaking your trip at night.

NOTE If you will be living in an RV or other vehicle, only say *tefilat ha'derech* once for the entire trip.
