Shaving during Shloshim

If you shave regularly (can be every day or a few times each week), you may shave after 30 days but not within 30 even if for non-parent and certainly not for a parent. If you normally grow a beard, you may not shave until 3 months have passed since the last time you trimmed your beard (and as long as it is more than 30 days from the day *shiva* began for the parent).
In case of a large financial loss, consult a *rabbi*.

NOTE A large loss is subjective to the individual's actual wealth and also to that person's perception of what is a large loss
