Jewish Festivals: Borei Pri HaGafen after Not Drinking Kiddush Wine

You must say *borei pri ha'gafen* if you want to drink wine (or grape juice) after you heard *kiddush* and then:

- Spoke without drinking any amount of *kiddush* beverage, and/or
- Spoke before the *kiddush* leader drank at least 2 fl. oz. (59 ml) of wine (or grape juice) from his cup, and/or
- Heard someone make *kiddush* over a *she'hakol*, even if you drank from that cup.
