Jewish Festivals: Musaf: Additions for Sacrifices: Sukkot: In Eretz Yisrael

In *Eretz Yisrael*, read only the line for the actual (correct) day.

NOTE

After the lines about the sacrifices, say *u'minchatam v'niskeichem*. If you are outside of *Eretz Yisrael*, you will need to say *u'minchatam v'niskeichem* twice:

EXAMPLE

- Say the line for the prior day's sacrifices and then say *u'minchatam v'niskeichem.*
- Then say the line for the sacrifices for the day you are at and, again, say *u'minchatam v'niskeichem*.
