

# Jewish Festivals: Musaf: Additions for Sacrifices: Sukkot: In Eretz Yisrael

In Eretz Yisrael, read only the line for the actual (correct) day.

**NOTE** After the lines about the sacrifices, say u'minchatam v'niskeichem. If you are outside of Eretz Yisrael, you will need to say u'minchatam v'niskeichem twice:

**EXAMPLE**

- Say the line for the prior day's sacrifices and then say u'minchatam v'niskeichem.
- Then say the line for the sacrifices for the day you are at and, again, say u'minchatam v'niskeichem.
