Jewish Festivals: Opening Metal Bottle Caps

You may not open metal bottle caps on *Jewish festivals* if a metal ring will be left after doing so. You may break that ring or simply open the bottle before the *Jewish festival* (or simply open the bottle and reclose it such that when you open in again, no metal will be broken).

NOTE If you need the contents for a *Jewish festival* (such as if it is a bottle of wine), you may ask a non-Jew to open the bottle for you. But if it is wine that is not cooked/*mevushal*, the wine will become non-*kosher* once opened and handled by the non-Jew.
