Laundry before Jewish Festivals

You should not do laundry on *chol ha'moed.*

REASON Due to a *takana* so people would do their laundry before each holiday and not wait until *chol ha'moed*.

NOTE If you had already done the laundry before the *Jewish festival* began and now no clean clothes remain:

- You may do laundry for babies and small children (3 years old or less) on *chol ha'moed.*
- You may not do laundry for adults.
