

# Laundry before Jewish Festivals

You should not do laundry on chol ha'moed.

**REASON** Due to a takana so people would do their laundry before each holiday and not wait until chol ha'moed.

**NOTE** If you had already done the laundry before the Jewish festival began and now no clean clothes remain:

- You may do laundry for babies and small children (3 years old or less) on chol ha'moed.
- You may not do laundry for adults.
