Introduction to Three Matzas (Matzot)

The seder table also has a stack of three matzas (matzot), representing, among other meanings:

- Cohen-Levi-Yisrael: The three divisions of Jews
- Abraham-Isaac-Jacob: The three forefathers

These *matzot* are used later in the *seder* for the steps of *Motzi* and *Matza* (top and middle *matzas*); the middle *matza* becomes the "*Afikoman*."
