Calculating the End (of Slavery)

God told *Avraham* (*Abraham*) that his children would be living in "lands not their own" and would be enslaved for 400 years, Yet the *Torah* states that the Israelites were in Egypt for 210 years. So we say God "calculated the end" (*chisheiv et ha'keitz*) of the enslavement: He started the counting from the birth of *Avraham's* son, *Yitzchak* (Isaac), until the *Exodus* (a total of 400 years), as follows:

Time from Birth of Avraham's Son to Going Down to Egypt

- Yaakov (Jacob) was born when Yitzchak was 60 years old.
- *Yaakov* told *Par'o* (Pharoah) (when he and the rest of his family entered Egypt) that he was 130 years old.
- 60 + 130= **190** years before going down to Egypt

Time in Egypt

210 years in Egypt

Time from Birth of Avraham's Son to Exodus

- 190 Before going down to Egypt
- + 210 In Egypt
- = 400 years from Yitzchak's birth to the Exodus.

NOTE <u>Yitzchak</u> and <u>Yaakov</u> did not yet "own" <u>Eretz Yisrael</u>. Since the Israelites were not given <u>Eretz Yisrael</u> until after the <u>Exodus</u>, <u>Avraham's</u> offspring were living in "lands not their own" for 400 years.
