Shabbat-Rosh Chodesh: Adding Ul'Chaparat Pasha

SITUATION It is *Rosh Chodesh* in a Jewish leap year.

WHAT TO DO

Add "<u>ul'chaparat pasha</u>" to <u>musaf</u>—from <u>Rosh Chodesh Cheshvan</u> through and including the second month of *Adar*.

REASON This blessing usually contains 12 requests--corresponding to the 12 months--and so in a leap year, we add *ul'chaparat pasha* for the 13th month.

NOTE Don't say <u>ul'chaparat pasha</u> on <u>Rosh Chodesh Nisan</u> or after that until the next Jewish leap year.
