Tzitzit: What To Wear: Which Garments Require Tzitzit

A garment or cloth requires *tzitzit* if:

- Worn by a male 13 years old or above,
- Contains at least 51\% natural fibers (cotton, wool, silk, etc.), and
- Has four corners in which two corners are normally behind you and the other two are normally in front of you while wearing it (A shawl will not normally need *tzitzit)*.

NOTE It is the widespread custom to begin wearing *tzitzit* at the age of *chinuch*—typically about three years old but this can vary by child.
