

# Kashrut: Dairy/Meat: Physical Separations: Dairy and Meat on Table

|            |   |
|------------|---|
| SITUATION  | Two eat at the same table, one person is eating <u>dairy</u> and the other, meat.   |
| WHAT TO DO | Separate the <u>dairy</u> and meat-containing foods using separate placemats or any type of physical barrier.   |
| NOTE       | You do not need to use a separator if the people at the table are strangers to each other; the separation is needed only if they know each other from before. |
| REASON     | Separation serves as a reminder not to eat the opposite-gender food.  |
