

Baking Challa at Same Time as Chicken with Sauce

SITUATION	You baked <u>challa</u> with chicken, both uncovered, in the same oven (the chicken DID have sauce).
STATUS	The <u>challa</u> becomes non- <u>kosher</u> even if the sauce was dry by the end of cooking.
REASON	A <u>rabbinic</u> enactment requires that <u>challa</u> be <u>pareve</u> , lest someone eat it with the opposite gender food. Consult a <u>rabbi</u> for exceptions.
NOTE	The <u>rabbinic</u> enactment applies to all bread, unless it looks different from normal bread or is small enough to eat at one meal.
