# Large Minyan or Small

In general, praying with a large group of Jews is preferable to praying with a small group.

REASON A large group is considered to be more honoring of God (*b'rov am hadrat melech*).

NOTE You may pray with a smaller *minyan* if you are not happy with the large *minyan*, such as the speed of the service, people talking during the service, or inconvenient timing when you need to get to work.
