

Grinding on Shabbat: Avocadoes

You may crush or squash an avocado (such as when making guacamole) on Shabbat, but ONLY:

- Using a shinu'i (such as a spoon, knife, or spatula),
- Without using a specialized tool (such as a grinder, potato masher, or fork),
- If you eat it immediately after preparing it, and
- If you leave some pieces larger than you normally would.

NOTE If you intend for all pieces to be somewhat larger than usual but some end up small, it is OK.
