

Shabbat: Well Water

You may use water from a pump-operated well on Shabbat (as on Jewish festivals), as long as the pump operation is not a psik reisha (inevitable and immediate consequence of using any water tap).

EXAMPLE You may use water from a well if it comes via an automatic pump that operates to fill a reservoir once the water level drops, but you may not:

- Operate the pump directly.
- Turn the pump on or off.

NOTE If there are variants to this situation, ask a rabbi.
