Shabbat: Being Videotaped by a Jew

You may not be videotaped by a Jew on *Shabbat* even if it is not for your benefit, but there is no need to cover your face. If there is danger (for example, the town of Efrat in Israel has video monitoring 24/7), it is permissible to be videotaped. You should avoid appearing on a monitor on *Shabbat*, but being recorded is not prohibited.
