Safekeeping a Ketuba

A woman must keep her *ketuba* under her control, but it does not need to be with her or even be in her home**.** It may be kept with her parents or anywhere else safe. It should not be displayed in public. If she has definitely lost her *ketuba* (she cannot find it in any place where it should have been), she may not live with her husband unless she has another *ketuba* written.
