If You Forgot Ya'aleh V'Yavo

SITUATION

You forgot to say *ya'aleh v'yavo* in *birkat ha'mazon* for a meal that you were required to eat on a *Jewish festival*.

WHAT TO DO

If you have already begun the fourth blessing, you must repeat the entire *birkat ha'mazon*. If you have not yet said the fourth blessing, you may say a special addition that appears in many *siddurim*.
