

# Introduction to Agriculture

All of the Jewish festival holidays had an agricultural element to them.

Agricultural laws include Kilayim, Orla, Reishit, Teruma/Ma'aser, Shmita, and Yashan, as well as special laws applying only to fruit trees. Some of these laws still apply today by Torah law (d'oraita) while others, such as First Fruits (bikurim), only apply when the Jerusalem Temple stands and so are not practiced now. Others are observed today as "practice" for when the Temple is rebuilt.
