Introduction to Agriculture

All of the Jewish festival holidays had an agricultural element to them.

Agricultural laws include *Kilayim, Orla, Reishit, Teruma/Ma'aser, Shmita, and Yashan*, as well as special laws applying only to fruit trees. Some of these laws still apply today by *Torah* law (d'oraita) while others, such as First Fruits (*bikurim*), only apply when the Jerusalem *Temple* stands and so are not practiced now. Others are observed today as "practice" for when the *Temple* is rebuilt.
