Changing Your Customs (Minhag) in New Community

When moving to a community with customs different from your own, adopt the customs of your new community but ONLY:

- If you intend to stay in that new community, and
- If the entire community follows the same customs.

NOTE An <u>Ashkenazi</u> who moves to a <u>Sefardi</u> community could eat <u>kitniyot</u> on <u>Passover</u> but would have to wake up extremely early for <u>selichot</u> and say them for the month of <u>Elul</u>, so think carefully about the trade-off!
