KADEISH: FIFTH CUP

Fifth Cup

The fifth cup of wine at seder, for Eliyahu (Elijah) the prophet, symbolizes v'heiveiti--"I will bring them."

REASON In the future, everyone will drink five cups of <u>seder</u> wine. (Some say the term <u>y'heiveiti</u> is not part of the redemption and some say it is a stage that has not happened yet.)

The cup of *Eliyahu* (which is not intended to be drunk by *Eliyahu*) should be used for *kiddush* the next morning. Various customs dictate when to fill *Eliyahu's* cup; it may be filled anytime from the beginning of the *seder*.
